potrzebujesz:

Zegar i godziny
- gra „ja mam... kto ma?”

Wersja gry dla całej klasy:
Wycinamy karty i rozdajemy je. Każde dziecko otrzymuje tylko jedną kartę. Gracz rozpoczynający zabawę czyta i pokazuje swoją kartę. Dziecko, które ma kartę z wywołaną ilustracją wstaje, pokazuje swoją kartę i czyta ją. W ten sposób gra toczy się aż do ostatniej karty.

Wersja grupowa:
Wycinamy karty i rozdajemy dzieciom w małej grupie wszystkie karty, np. 25 kart – grupa powinna liczyć 5 osób. Każdy gracz dostaje po kilka kart np. po 5 kart. Dzieci kładą wszystkie swoje karty na stole przed sobą, tak, aby mogły je zobaczyć. Nie ma znaczenia, która karta zostanie wybrana jako pierwsza do gry. Pierwszy gracz wybiera dowolną kartę i czyta ją. Dzieci oglądają swoje karty i szukają karty ze wskazaną ilustracją. Dziecko posiadające poszukiwaną kartę czyta jej zawartość, po czym odkłada ją do pudełka, które znajduje się na środku stołu. Gra toczy się, aż wszystkie karty znajdą się w pudełku. Ostatni gracz wywołuje kartę z pierwszą ilustracją, która rozpoczynała grę - pierwszy gracz zachowuje swoją pierwszą kartę i wkłada ją jako ostatni do pudełka.

cele:

ćwiczenie koncentracji uwagi, komunikacji społecznej, doskonalenie posługiwania się zegarem
